Mentoring Breakfasts

Mentoring breakfasts are an important programming element of Harvard Alumni Real Estate board meetings.

Those board members who volunteer to be a mentor meet with small groups of current students over breakfast to act as a catalyst for conversation and a chance to offer face-to-face mentorship.

Resume Reviews

The resume review program is a unique service the Harvard Alumni Real Estate Board provides to current students who are seeking internships or jobs in the real estate industry.

Members of the board who volunteer to participate in the reviews are paired with two to three students to provide general comments and resume critiques to help students be optimally positioned candidates for internship or full-time jobs.
